

Increased Costs In District Will Send School Tax Up 10c

Retirement Fund Accounts For Major Increase In School Costs

Increased costs, establishment of the retirement fund and a stable assessed valuation in the district will result in a 10 cents per \$100 assessed valuation increase in the Tahoe Truckee Unified School District tax rate for the coming year.

A public hearing on the proposed budget, approved recently by the governing board, will be held at 8 p.m., August 6 at the high school. At that time anyone may appear to protest the budget.

All along the line increases were noted. The need for additional teachers, plus an increase in salaries boosted the instruction costs from \$256,225 last year to \$315,400 during the coming year.

Operation of the school plant, as a result of increased salaries for non-certificated personnel, will go from \$15,610 to \$19,000 during the coming year and fixed charges, which includes the contribution to the retirement fund, advances from \$18,188 to \$26,500.

Transportation costs will show an \$11,000 increase going from \$51,289 to \$62,244, while capital outlay—one of the major increases due to a building program—shows an increase of more than double, last year's figure being \$34,662 compared to an estimated \$95,000 for the approaching year.

Food services will go from \$29,521 spent last year to \$16,000 anticipated for the coming year.

Administrating costs show an anticipated small decline, dropping from \$23,661, to an expected \$22,000.

The total expenditure and transfers plus the net ending balance compared to \$661,106 for last year, for the coming year is \$678,903 the budget shows.

The costs and subvention are based on a daily average attendance last year of 687, with an anticipated increase this year.

Superintendent John Corbin pointed out to the board that in 1955-56, the cost per student unit was \$552.95 and in 1956-57 the same unit costs was only \$549.83, a drop of \$3.12 per unit.

STREET WORK BIDS TO BE OPENED BY BOARD AUGUST 15

Bids for surfacing and aligning 1.98 miles of streets in Truckee will be opened by the board of supervisors at a meeting in Nevada City at 11 a.m., August 15.

The work is expected to include most of the streets currently in need of repair, with River street being the longest single stretch in the plan.

Noble McCormick of the road commission's office, accompanied by his son, Mike, was here this week to look over the proposed project with Supervisor H. G. Loehr.

STATE COLLEGE TO OFFER PLAY TONIGHT

"The Rainmaker," the first in this summer's series of productions by Sacramento State College summer theater group will feature a father-son combination from Grass Valley. This is not the first time that George Ellsworth and his son, Brad, have been teamed in a theater performance. In 1952 Ellsworth senior played Scrooge in the "Christmas Carol," a Golden Drama Guild Production, while his son played the street urchin.

George Ellsworth will be remembered for his outstanding performances in "Laur" and "The Solid Gold Cadillac," which were produced here last summer.

The remainder of the cast includes: Dr. Maryjane Rees, Perry V. Williams, Dixie Long, James Condon, Joseph Disch, and Paul Bertrand, which will prove to be a sparkling performance.

"The Rainmaker" will be produced August 1 and 2 at 8:30 p.m. in the Tahoe City school auditorium.

O. J. RABLIN ENDS 53 YEARS RAIL WORK

Friends of Orland J. Rablin of Truckee and Roseville have been congratulating him on the completion of 53 years in the employ of the Southern Pacific Company after starting as a call boy in Truckee at the tender age of 12 years. A conductor at the time of his recent retirement, Rablin has held that position since 1917.

Mr. and Mrs. Rablin are at present enjoying a well-earned vacation at their home here.

Dedication Of Camp To Be Held At Tahoe Soon

Mr. and Mrs. Robert Leamon have received an invitation to attend the dedication of the Lou Henry Hoover memorial sanctuary at Camp Wasiu, Meeks Bay, to be held at 2:30 o'clock Sunday, August 4.

The Sierra Nevada Council of the Girl Scouts of America will be host of the affair.

Dr. Affeldt, Lander Head Donner Fire Board, Department

Dr. Robert W. Affeldt, Truckee dentist, is the first president of the Donner Lake Fire District and Emery Lander, local deputy sheriff is the first fire chief.

The recently organized and incorporated agency met Monday to formulate first plans for the organization and start the ball rolling to acquire equipment and a fire station for the fast developing district. The district includes all the lands around the lake and in the Donner Lake Development Company confines.

Other officers of the board are Tom Bonano, vice president; Roy Slate, treasurer; Mrs. Theodore Franklin, secretary and members Dave Tremayne, Roy Teel, Hap Warnke. Franklin was chosen as assistant chief and Cecil Allison will be the pumping plant superintendent.

Another meeting will be held in the near future for the purpose of selecting additional officers and to lay plans for further development of the district and department.

Tahoe Yacht Club Races On Sunday

TAHOE CITY—Stanley Good, Jr., of Tahoe City, chairman of the Tahoe Yacht Club's 5th annual water skiing carnival, announces this week that August 4 is the date on which competition will be held this year.

There will be 10 scheduled events which will include slalom, group exhibitions for two or more persons and water ski jumping. New Chambers' Lodge is the place, the program continuing from 9 a.m. to 1 p.m. on Sunday, August 4.

All those desiring to enter any of the events must register and sign an entry blank before 10:30 on Saturday morning, August 3.

Members of the carnival committee who are assisting: Good and Mike Brown, Bob Smith, Ed Irvine, Roger Murphy and Miss Gloria Westphal. Posters, programs and publicity are being handled by Miss Susan Good, and announcer will be R. Randolph Walker.

The public is cordially invited to attend this thrilling annual water skiing exhibition sponsored by the Tahoe Yacht Club, and entrants need not be members to participate. If interested, just sign up before 10:30 a.m. Saturday morning. Prizes will be awarded first, second and third place winners.

NEW TEACHERS ARE ADDED FOR SCHOOL

Two new teachers and three replacements on the faculty at the Tahoe-Truckee High School were announced this week by William Scuttio, principal.

Added to the staff will be Guy Wilson, teacher of the 7th grade core and junior varsity basketball coach, who comes from San Jose where he has been teaching. Another addition will be Eugene P. Goodrich, who had taught at Portland and for the past six years who has been employed as teacher of history, math and senior problems.

Replacements include Charles Redd, being welcomed back to the school after two years in the army. He will teach 7th grade core.

Others are Miss Phyllis Carter, a San Jose graduate, who has been teaching at Dinuba, who replaces Miss Betty Lou Raker as girls' physical education director, and Miss Winifred L. Collins, who comes from Iowa and who will teach U. S. history and English. For the past two years Miss Collins has been teaching with the army in Japan. Minor R. Rootes, who has been at Fowler, will teach general science, driver training and other subjects.

New Son Named

David Richard are the names chosen by the Herbert Copelands for their new son, born at Tahoe Forest Hospital on the evening of July 25. The newcomer is the 12th grandchild of Mr. and Mrs. A. L. Davidson and he evens off the count at six boys and six girls in that category.

Home Again—

Mrs. William Englehart, Jr. and daughters, Irene and Gale, have returned following a visit with relatives in Arcadia. Merrill Englehart remained in the southern city and will attend school there next semester.

Three Escape As Plane Overturns In Takeoff At Lake

Truckee Man Credits Pilot With Averting Bad Lake Mishap

Two passengers and the pilot of a light seaplane which sank in eight feet of water near Tahoe Vista Tuesday morning escaped without even getting wet.

The passengers, Jack Neugebauer of Truckee, manager of the Donner Theater, and Don Armstrong of Kings Beach, head of the newly organized helicopter service, were enroute to San Francisco and were accompanying the pilot, Leon Musgrove.

The plane had just discharged Mr. and Mrs. John Palmer of the Riviera Shop at Kings Beach and was taxiing for the takeoff when the pilot noticed that the left pontoon had sprung a bad leak. The plane was a 100 or more feet off the shore at the time.

The quick-thinking pilot turned back in the choppy water and headed for a nearby beach, he turned to a pier in an effort to prevent the plane from overturning, by hanging one wing on the pier.

Neugebauer and Armstrong were taken off by a quickly summoned coast guard boat which later pulled the crippled plane back into the lake in an effort to take it to a safe beach. As it cleared the shallow water, the light plane overturned, taking with it Neugebauer's valuable golf clubs and suitcase.

Neugebauer said that at no time was he nervous as the experienced pilot handled the craft beautifully.

Tuesday morning the local theater man accompanied Musgrove to San Francisco in a land plane to do the monthly booking for his show here.

Petitions Ready In Incorporation Try

Petitions asking that the Nevada County Board of Supervisors call an election to determine whether or not Truckee shall become an incorporated city should be circulated within the next three weeks.

This is the opinion of Harold Welch, heading the Truckee Chamber of Commerce committee, who said the petitions are prepared and now in the hands of the county's boundary commission for approval.

Welch said the petitions calling for an election will describe the boundaries as those of the Truckee Fire District, roughly from the old chicken ranch east of here to the Donner Monument and half a mile north and south from Highway 40.

The papers were prepared by District Attorney Harold Berliner and the cooperation of various other county officials was enlisted by Welch who has spent weeks in the feasibility survey.

SIX LIGHTNING FIRES STOPPED IN DISTRICT

Six lightning fires in this area were successfully put out with minimum damage during the week-end, according to Henry Toccalini of the U. S. Forest Service.

A half acre was burned at Frog Lake, with less than a quarter acre involved in two fires near the Brockway cutoff, one each a mile east of Truckee at Mt. Pluto and Dollar Point. At the latter scene the Tahoe City Volunteer Fire Department quenched the incipient blaze.

On Tuesday the season's total fires included nine-man caused and 10 started by lightning, Toccalini said.

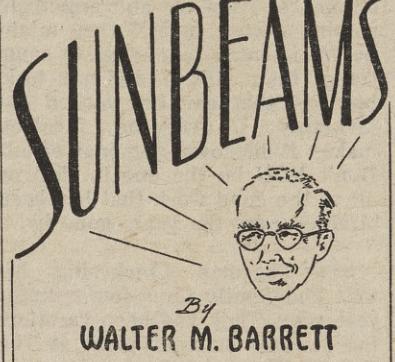

Tahoe Girl Honored By Pythian Sunshine Girls

Mary Ellen Hunter, daughter of Mr. and Mrs. William Hunter of Tahoe City, was recently honored at the state meeting of the Pythian Sunshine Girls held at Bakersfield when she was elected to the office of grand charity.

Mary Ellen is a member of the Clearview Council at Lodi and the next grand council will be held there when she is scheduled to go into the group's highest office, the grand royal princess of California.

In Sacramento—

Daven and Anne Morey, children of Mr. and Mrs. Daven Morey of Truckee are spending a few days vacationing with relatives in Sacramento.

After months of research and study, the petitions asking for an election to decide upon the question of incorporation for Truckee, are soon to be circulated, we were advised. At least twice before this action has been taken and both times the question was voted down by narrow margins. It is our opinion that such a step is necessary if Truckee is to continue its development on a sound foundation.

The protection provided, the services rendered and above all the right of self-government would, it seems to us, be appealing to everyone concerned. We are not prepared at the moment to discuss relative costs, but we believe all will agree to one fact and that is that we generally get what we pay for and pay for only what we get in such cases. True, we can continue along as we are going, if that be the wishes of the majority. Or, if we so desire, we can set up our own city government, work together for the betterment of the community and increase our potential. The petitions do not mean that incorporation is at hand, they are required only to bring the matter to a head and put the issue squarely up to the voters.

Dr. Cleaves has conferred in the past several days with State Highway Engineer George T. McCoy and engineers of the division of highways in Sacramento and has made a field reconnaissance, it was announced. He examined both the Emerald Bay slide area on the existing road and a possible alternate highway routing, involving a bridge across Emerald Bay.

There are similar precipitous areas on either routing.

This preliminary field inspection and review of available geological information will insure that boring and tests at the Emerald Bay slide, presently being conducted by the division of highways, will provide data considered necessary by Dr. Cleaves for study and development of his recommendations.

Dr. Cleaves has a broad background of experience as an engineering geologist. He was formerly chief geologist for the Pennsylvania Turnpike Commission and has recently been doing further consulting work for that organization. He has been consultant for the Tennessee Valley Authority and on many other civil engineering projects involving tunnels and land slides.

Engle Seeking To Clear Games Row

Congressman Clair Engle of the Sacramento Valley and Sierra Nevada counties district has called upon Secretary of State John Foster Dulles to take action which would assure the holding of the 1960 Winter Olympic games in Squaw Valley.

The possibility that teams from Red China and other Communist countries could be barred from the United States by the state department brought a warning from Avery Brundage, director of the International Olympic Committee that the rules call for competition from all nations.

He said that if the athletes from these countries are barred then the Olympics committee would have no alternative but to move the games to some other country.

"The state of California," Engle wrote Dulles, "has appropriated several million dollars to prepare for the Winter Olympics with a portion already spent."

"It would, of course, be a heavy financial blow as well as a great disappointment to the people of California and the rest of the nation to have the 1960 Winter Olympics in Squaw Valley cancelled because of the inability to comply with the rules of the Olympics committee regarding participation of other nations. I hope this problem can be worked out through your department."

Engle asked to confer with Dulles or one of his representatives as soon as possible to discuss the situation.

Two cars, one driven by Herbert Lee Jones of Oakland and the other by Boris B. Long, El Sobrante, collided east of Hirschdale, injuring Opal Mae Jones, occupant of the car driven by Jones. She was taken to the hospital. No citations were issued pending the investigation.

Six Percent Tax Increase Is Seen In Placer County

AUBURN—A \$5,141,864 preliminary budget which calls for an estimated 6 percent increase in the county tax rate is expected to be adopted by the board of supervisors.

The budget, up \$940,000 over last year's expenditures, indicates a property tax rate of \$1.62 per \$100 valuation will be required. The 1956-57 levy was \$1.56.

Terry Walker Honored On Birthday At Party

Mr. and Mrs. James Walker entertained Saturday afternoon at a swimming party for their son, Terry, whose birthday occurred the previous Wednesday. Games and refreshments concluded the pleasant affair. Harris Klunness of Berkeley, Terry's grandfather was a special guest of the day.

The boys invited included Gene McGibbon, Charles Glenn, Barry Smith, Mike Armstrong, Barry Leamon, Gene Miller and Joey Straub.

Son Is Born

Mr. and Mrs. Claude Douglass Cross of Truckee welcomed their son at the Tahoe Forest Hospital on July 29. The lad weighed in at six pounds, 13½ ounces and has been given his father's name.

Family At Ranch—

Mr. and Mrs. Wolverson of Fresno, Mrs. Betty McKinley of Sacramento, Mr. and Mrs. Stanton Gray, San Luis Obispo are visiting at the ranch home of the women's parents, Mr. and Mrs. Joe Joergers.

Geologist Studies Slide Area In Plan For Emerald Bay

Tests May Determine State Method Of Building New Highway

State Director of Public Works Frank B. Durkee announced that the division of highways has engaged the services of an internationally known geologist as a consultant to assist in studies of slide and foundation conditions affecting State Route 89 in the vicinity of Emerald Bay at Lake Tahoe.

The geologist is Dr. Arthur Bailey Cleaves, professor of geology at the Washington University in St. Louis.

Dr. Cleaves has a broad background of experience as an engineering geologist. He was formerly chief geologist for the Pennsylvania Turnpike Commission and has recently been doing further consulting work for that organization. He has been consultant for the Tennessee Valley Authority and on many other civil engineering projects involving tunnels and land slides.

Several Injured In Auto Accidents

John Curto, 82, and his wife, Minnie, 62 were injured seriously Sunday morning at 10:30 when the car driven by the former got out of control, hit a soft shoulder and crashed into an embankment on Donner grade.

The two were taken to the Tahoe Forest Hospital by Truckee ambulance.

The mishap was one of several reported by Sgt. Frank Snyder of the California Highway Patrol during the weekend. On Friday, a vehicle driven by Denman Campbell, 21, Oakland, ran off the highway at high speed, injuring the driver and Laurie Whitlock, 21, and Robert Sparks both of Berkeley.

Robert Lee Michener, 10, of Tahoe City, was injured and taken to the Tahoe Forest Hospital Thursday at 11:15 a.m. when a bicycle he was riding and a car driven by James H. Cunningham of El Cerrito collided south of Tahoe City on Route 89. The driver was not held to blame.

Two cars, one driven by Herbert Lee Jones of Oakland and the other by Boris B. Long, El Sobrante, collided east of Hirschdale, injuring Opal Mae Jones, occupant of the car driven by Jones. She was taken to the hospital. No citations were issued pending the investigation.

A verdict for \$60,000 was returned last Thursday afternoon in favor of the plaintiffs by a 12-man jury which for four days had heard the suit for \$200,000 filed by Kenneth and Jack Emerson, against the McDermott Trucking Company in the matter of the wrongful death of Ralph Waldo Emerson.

Defendants in the suit were W. H. Meek and Vern Wetzel, owners of the McDermott Trucking Company, and their employee, Kenneth Griffin, who, it was charged, was driving his truck in a negligent manner when the pickup truck driven by Emerson collided with the trailer of the passing truck while both were passing a parked car. Emerson died of injuries soon afterwards.

The accident occurred in September of 1955 on Highway 89 several miles north of Truckee.

Probation Report Will Decide Despres Fate

AUBURN—A probation report of Luis Arturo Despres of Crystal Bay, Lake Tahoe, is set for August 8 in the superior court. Despres pleaded guilty of contributing to the delinquency of a minor.

Judge Lowell L. Sparks ordered a statutory rape charge against Despres continued until after the probation report. Despres, who pleaded innocent to the rape charge, originally was scheduled to go on trial Tuesday.

Local Garagemen Win First Race In Rebuilt 1932 Auto

Competing against 33 others, all with more experience and certainly with better tested cars, Glenn Coffey and his mechanic, Harry Causey, of Coffey's Garage, Saturday night took first place in the hard-top races at the Reno Fair Grounds.

Old No. 32, a 1932 Ford had been carefully prepared for the event by the two mechanics who have burned considerable midnight oil during the past three months getting No. 32 in shape.

In the first trial, Causey, the driver, set a new track record for the quarter mile in .19:02 seconds.

It was the first time the car had been tried out since it was completed and both Coffey and Causey were quite thrilled at the results.

Ralph Ayala New Truckee Deputy

Sheriff Wayne Brown has announced the appointment of Ralph Ayala as Truckee's third deputy and the new officer will start his work today.

Ayala, who has a background of considerable police experience, recently has been employed by the Truckee Coca-Cola Bottling Company. He was employed for some years as a Reno policeman, a deputy under the late Sheriff Ray Root in Washoe County and as a special investigator for the district attorney's office in Nevada. He is a brother of Sandy Ayala of Floriston, an employee of the division of highways.

Sheriff Brown was expected here this week to arrange a regular working schedule for the three local officers, including Deputies Roy Waters and Emery Lander.

Authorization was recently given Sheriff Brown to employ the third deputy by the board of supervisors at the request of Brown and Supervisor H. G. Loehr of Truckee.

WYETHIA TO LUNCH AT SMART'S AUG. 6

Mrs. Ray McCarthy, president of the Wyethia Club will be present at a 1 o'clock luncheon to be held at Smart's August 6 to assist in establishing a Junior Wyethia Club. Man Held In Jail After Shooting In Local Restaurant

Victim Recovering In Reno As Husband Held In County Jail

Maurice Eugene Lambert, 34, formerly of Brentwood where he was employed as lumber worker, but more recently of Calaveras County, was being held in Nevada County jail in lieu of \$5000 bail following his arrest Saturday on a charge of assault with intent to commit murder.

His alleged victim, Vincent Thies, Truckee, was reported recovering in a Reno hospital from a gun shot wound in his abdomen, said by officers to have been inflicted by Lambert during an altercation at Smart's, a mile west of Truckee Saturday at 10:45 a.m.

In piecing the story together, State Patrolman Carroll Maynard, the first officer at the scene of the shooting, and Deputy Sheriff Emery Lander, said Mrs. Lambert, who had established residence at Verdi apparently for the purpose of getting a divorce, called her husband Friday relative to an automobile which he had driven to Arnold. She is reported to have asked him to come to Truckee and discuss matters with her.

When Lambert arrived he met Thies, a former friend of the family, on the street in Truckee and inquired about the whereabouts of Mrs. Lambert. Thies, the officers were advised, suggested that a waitress at Smart's might be able to tell them where Mrs. Lambert could be found.

The two men drove to Smart's and Thies advised Lambert to remain in the car while he sought the information. Lambert followed Thies into the cocktail lounge where Mrs. Lambert and the victim were alone, the officers reported. Words followed and Lambert is said to have threatened Thies with the .22 calibre revolver which he had in his pocket, officers were advised.

Two Shots

Thies lunged at Lambert, and here details are vague. Either Thies struck Lambert in the face before or after a shot was fired. At any rate, Lambert displayed a swollen eye. One shot from the revolver struck the floor and another ripped into Thies' body.

After the shooting, Lambert surrendered to Terry Sullivan of San Rafael, a bystander. Maynard, who was interviewing a truck driver outside the restaurant, came in and took charge, notifying Lander, who conducted the preliminary investigation prior to the arrival of Sheriff Wayne Brown and District Attorney Harold Berliner. Patrolman T. F. Sheehan also arrived to assist in the investigation.

Two Children

Lambert was taken to the Tahoe Forest Hospital and later removed to Reno to undergo surgery. Lambert recently moved from Brentwood to Arnold. The Lamberts have been married 12 years and have two children, aged 10 and 7, officers said.

Thies was to be questioned later to give his side of the affair. Lambert was arraigned before Judge F. W. Wilson in Truckee.

CHILDREN WILL HAVE DAY AT RENO SHOW

STRICTLY STRICKLAND

By Bill Strickland

The business people of Truckee, Lake Tahoe and Donner Summit have established, through personal efforts and money spent in advertising a vast amount of good will and friendliness. These same people know the value of a good reputation, and know that it is achieved through years of diligent effort. These same people also know that a good reputation can be destroyed in just a few minutes by the unthinking behavior of an employee or business newcomers to the area. New people are coming into this area by the hundreds from out of

State. Their first introduction to our vast recreation area is, unfortunately, a necessary delay in the highway construction zone on U.S. 40. Consequently, their first contact is with employees of the Gibbons and Reed Construction firm. They will remember the treatment they received, and could quite conceivably establish an opinion as a result of that treatment.

Ed Jolley, the construction superintendent, and John Petersen, the resident highway engineer hold a meeting every Thursday afternoon for all the construction employees. They try and anticipate coming events, and if they might be detrimental, take steps to counteract them. It's a difficult task, but one that can be worked out favorably if everyone involved makes it his own personal effort. Don't YOU be the one to destroy all of the good work that has been attained over the years gone by.

Saw Sherman Chickering, his wife and family for a few minutes yesterday. They had been vacationing at their summer place at The Cedars. They also have a home in the Sugar Bowl; so they have a variety in their vacation choices—summer activity or winter sports.

See Gordon Hooley every now and then when he make trips to Reno. Gordon managed the Sugar Bowl for many years, and is now one of the main cogs in the management of the Mapes, in Reno.

Charlie Secco has his family up for the summer. Young Freddy has as his guest, Larry Zich, from San Francisco. They, along with my son, Bob, have been making the Ice Lakes region their evening entertainment headquarters. Lots of young people out there, and a variety of entertainment.

See Tod and Dolly Reynolds and their youngsters also. There is always lots of activity around their family home on The Mountain. The tennis courts and big pool are, of course, two of the big attractions.

Peg Travis of Donner Summit Lodge has just returned from a visit with Dennis and Muriel Jones at Dennis' Ranch out of Grass Valley.

This is a yarn we have to write about, because evidently this lad was the one they were referring to when the phrase of big time operator came into being. We watched quite a few B.T.O.'s during our salad days in Yosemite, saw lots of them when we were in Uncle Sam's Army and have been aware of quite a few during the

ski season, but they were certainly novices along side of this operator. For obvious reasons we must give him a fictitious name; so we've nicknamed him "Casanova Engineer." He engineers more angles than you can shake a stick at. A few nights ago two very attractive young ladies in a Thunderbird were waiting during the traffic delay. Along came "Cass" and the next thing we knew, the Thunderbird and its occupants were following this Lothario over

All cooking and eating utensils, by scrubbed with soap and water if there is any possibility they have been exposed to radiological, chemical or biological contamination. Packaged dishwashing powders and strong soaps are all right and tableware, should be thorough-ly use. If your water supply has been cut off, wash only what you need to use.

Still laid up at his home in town, and in considerable pain, is Tahoe City's constable, Harry Johanson. Harry suffered a painful fall down the stairs of his home on Friday last when he and his pet Samoyede "Pete," indulged in their daily contest to see who

could negotiate the stairs first. Pete won, but in doing so lurched against Harry throwing him off balance. So painful were his injuries, he suffered two broken ribs, that he was unable until morning to summon his neighbors at Russell's Pines Motel. Russell summoned a doctor who taped him up and sent him to Tahoe Forest Hospital for x-rays. Good luck, Harry. It isn't like you to be sick.

Another of Hollywood's favorite sons, Richard Egan, was a visitor at Sunnyside to visit his old buddy, Jack Ford, and indulge in a bit of water skiing. During the past week 49'er football stars, Hugh McElhenney, Y. A. Tittle, Billy Wilson and Ed Henke of the bay area put in some long hours of training by water skiing at Sunnyside.

Mr. and Mrs. Rhen Wilsey of Modesto enjoyed a six-day vacation at Schluter's Cabins in Tahoe Park. Wilsey is a brother of Mrs. Schluter and her sister, Mrs. Vivian Nelson, who is spending the summer with her.

Mrs. Myrle Rose hosted a delightful spaghetti dinner, served outside her apartment at Mortimer's in Tahoe Park, on the patio, on Tuesday evening last, followed by a social hour around the campfire. Those who enjoyed the savory feast included Mr. and Mrs. Bertel Anderson of Pineland; Mrs. Stella Watson of Watson's Camp, near the Highland; Jeannette Mitchell, Eleanor Swanson and Mr. and Mrs. G. W. Mortimer.

Mr. and Mrs. Malcolm Fox of Squaw Valley and Mr. and Mrs. Ali Sigurdson, guests from Iceland at the home of Mrs. Annie Soll of Tahoe Park, motored down to San Francisco over the weekend for a holiday in the big city.

Mrs. Mitzi Cochran of Berkeley, recently returned from Florida where she attended the funeral of her father, arrived on Tuesday to visit for several days at the home of her son-in-law and daughter, the James Bakers of Fairway Drive.

Mother Lode Highway Is Extended to Vinton

SACRAMENTO—Installation of signs marking the extension of State Sign Route 49 (Mother Lode Highway) from Sattley to Sierra-ville on Sign Route 89 and then north to Vinton on U.S. 40 Alternate via Loyaltown, was announced today by State Highway Engineer G. T. McCoy.

The 30-mile extension lies mostly over a section of road formerly belonging to Plumas and Sierra Counties which was incorporated into the state highway system by the legislature at its 1957 session. State Route 49, which lies through the historic gold mining region of the Sierra Nevada foothills, now extends from Mariposa on Sign Route 140 in Mariposa County to Vinton, a distance of 301 miles.

Mr. and Mrs. Pell Kruttschnitt, Jr., of Los Angeles are enjoying a two-week vacation near Tahoe City.

Am happy to make a correction regarding the story published last week about little six-year-old Calvin Bechdolt, son of Mr. and Mrs. Carl Bechdolt, Jr., who was rescued from drowning by his 16-year-old sister, Sharon. While it was Sharon who jumped in and brought his small body to shore, it was actually his 19-year-old sister, Christine, who administered first aid by means of artificial respiration, with the help of Mary Ann Stark, who was visiting the family at the time of the accident, and who remained at his bedside all night. In the excitement of the moment witnesses forgot to mention Chris. So we say again, we are happy to give credit where credit is due, and orchids to you, Christine, for the important part you played in the near tragedy.

Mr. and Mrs. Ronald Sanford of San Francisco were weekend guests at the home of Ronnie's parents, the Al Sanfords of Town and Country. While here they also visited the James Bakers of Fairway Drive. Weekend guests at the Bakers were Greg Lawler of San Marino and Jerry Weirick of Palo Alto.

Guests at the home of Dr. and Mrs. Joseph Salopik at Homewood last week were Mr. and Mrs. John Hulten and family of Honolulu, and Dr. and Mrs. Richard Hofmann of Berkeley.

The Fred Whites, who resided for several years at the William Kent Campgrounds visited Tahoe City last week from their home in the state of Washington.

Mrs. Jeannette Mitchell and Mrs. George Mead visited Mrs. Ida Selkirk in Tahoe Forest Hospital on Tuesday evening last. They found her somewhat improved but still undergoing treatment.

By Naomi McLane

Summer Sessions

This is only the third season for the Sacramento State College summer session but I think already our community is aware of the benefits we locally gain from it. From the beginning the Women's Club of Tahoe has sponsored the drama evenings which have been and are so enjoyable. Monday the cast of the "Rainmaker" was introduced at a delightful evening at the school at which refreshments were served by the Women's Club. To Dr. Carl A. Thomas goes the credit for these evenings of theater. To my regret I did not attend the first of the anthropology programs held a week ago Monday. From all reports it must have been most fascinating. Mrs. Alice Potts, a Maidu Indian from the valley was there in costume with her grandson. She told about the customs of her particular tribe. Dr. Richard H. Reeve is professor of these Indian classes and there will be other programs

for the public in the near future. Monday, August 5, will be the first of these. The public is also welcome to use the special summer session library at the school, says Dr. Paul D. Beckman, art instructor and coordinator of the summer session. The art display alone is worth the visit up to the school.

Many Visitors

Visiting Rotarians again outnumbered the local members at the July 23 luncheon meeting at the Tahoe Inn. There were 32 out-of-town visitors and 24 local Rotarians present. Although there are 42 members most of the absentees are in business that do not permit them to come to noon meetings. Program Chairman Denis Sach introduced Jed Oxborrow, superintendent of the Sunny Arches School for Children at Carson City. Oxborrow spoke about individual cases of outstanding graduates from his school and outlined the general educational program which includes agriculture and mechanics. He said the present enrollment of 72 youngsters vary in age from two to 16.

Wins Saw

Harry Digesti of Truckee, who works with the Truckee Tahoe Fuel Company was the lucky winner of the Homelite chain saw which was given away Saturday at Robert J. Wray's open house at his Homelite headquarters here in town. It's always fine when a local boy makes good and we can consider a Truckee boy as practically home folks. The open house was well attended and kept the Wrays busy most of the day greeting old and new friends. Wray would like to remind you that those who have already signed up may still win either a regional contest or the national one both of which will be held in October. The winner of the national will have a Homelite every year for life—even if the tree crop fails.

Annoyed

E. A. Thompson of Sugar Pine Pt. Lodge in Tahoma has every right to be annoyed. He had a fine sign out on a life preserver giving notice of the beach rights and other activities of his resort. Some one or ones took it one night and since it has not been returned it is no joke.

Improvements

Dropped down the other day to see the beach at May-Ah-Mee Lodge in Tahoma and was pleased and surprised at what has been done there. Many trees have been taken out and the beach is much enlarged. Bob Anaclerio looked awfully busy with his boats and water skiers.

Visits Sister

Jean Grundvig of Florin is visiting her sister, Ora Day in Tahoe City.

IN RENO SHRINE CIRCUS AUGUST 7-10

This casually gastronomical gentleman is Gen Randow, head of the clown contingent of the tenth annual Kerak Shrine-Polack Bros circus appearing Wednesday through Saturday, Aug. 7-10, at Mackay Stadium, In Reno, with afternoon and night performances all four days, at 2:15 and 8:15.

Birthdate

Donnie, son of Leonard and Dorothy Bury of the Tahoe City Bakery, turned 11 last week. He celebrated with a weiner roast for several friends and tether ball and other games were played in the yard. Guests were Pat and Mike Watkins, Greg Moore, Jeff McLane and special guests were Donnie's grandparents, Mr. and Mrs. Hunt of Redondo Beach who have been visiting Bury's for most of the month.

At Summer School

These summer days make me about as alert as a no good hound-dog. In speaking about the summer school I meant to mention some of the local people who are attending. They are Mrs. John Corbin, Norman Dewhurst, Calvin Farley, Miss Jean Kessey, Mrs. Ralph Rauscher, Mrs. Hal Farr and Doug Ball.

Deep Water

Mr. and Mrs. Joe Borja of Tahoma had a fright Sunday. Their three-year-old little boy, Vicente, drifted off his inner tube in what was shallow water for everyone except him. Joe plunged in to the rescue and Vicente was more surprised at that than frightened from his dunking.

In Chico

OVER THE SIERRA
TRAIL RIDE SET
TO START AUG. 4

Equestrians from all over the west are readying their horses and gear for the annual Western States Trail Ride event over the Sierra during the week of August 4 to August 11.

The first group of riders will start from the Washoe County Horsemen's Association at Reno on Sunday morning, August 4. They will proceed up the eastern slope of the Sierra Nevada range, over Mount Rose and around the mountains on the north rim of Lake Tahoe to Squaw Valley, after an overnight camp in Tahoe Meadows.

In Squaw Valley on August 6, they will be met by other riders joining the party for the five-day ride over the old Emigrant Road and trails of the pioneers to Auburn. The latter group will make overnight camps at French Mea-

his cousin, Jeff, of Tahoe City are visiting their grandmother, Mrs. Florence McLane, in Chico for a two-week period. The Rev. George McLane, who is with the Goodwill Industries in Oakland, is a brother of both Bob and Victor, made a weekend visit to Truckee to bring his two oldest children, Hebert and Beth, to stay for a short while with their cousins.

At Tahoe

Mr. and Mrs. James Spencer and their boys, John and Brian, will spend most of August on their lot in Tahoe Tavern Heights.

Attends Wedding

Mrs. Solveig Beavers is in town for a short while to attend the wedding of Miss Geri Bean. Solveig will, of course, return for school where she will again teach the second grade.

And now has our Miss Bean become Mrs. Cavallo? We feel that she is still ours and are happy that she will continue teaching our littlest kids next fall. We wish the newlyweds much, much happiness.

dows, Robinson Flat, Chicken Hawk and Spanish Bar on the Middle Fork of the American River before reaching Auburn.

The ride will have traversed the virgin forests of the Toiyabe and Tahoe National Forests, the high mountain passes of the Sierra and a historic region of the gold rush days of 1849, along the river trails to the early mining camps along the American River.

The Reno to Auburn ride has been made famous by this yearly event, which brings horsemen and their families from all over the west. Riders from Sacramento can also continue from Auburn on through Folsom Lake State Park on the Pioneer Express Trail, recently constructed by the state of California and registered as a California Historical Monument.

A special feature of the ride includes the Pony Express with rider from Reno to Auburn on Friday messengers carrying U. S. mail and Saturday, August 9 and 10. On August 10 is the "100 Miles in One

Day" ride, premier annual riding event. Rider entries with their horses will carry Pony Express mail on that day 100 miles over the Lake Tahoe to Auburn trail. All completing the ride within 24 hours will receive a special sterling silver and gold belt buckle award and will be eligible to secure the silver headstall medallion trophy for his mount. In 1955 four out of five riders were successful and in 1956 14 out of 19 completed the ride.

The Pony Express ride is under the control and inspection of a representative of the school of veterinary medicine at University of California.

The Western States Trail Ride organization is an incorporated association of riding groups in Nevada and the Sacramento-Auburn region of California, with headquarters at the Auburn city hall.

BISHOP PORTER IS HONORED AFTER FINAL TAHOE TALK

by SWANEE

TAHOE CITY —It was estimated that over 500 persons gathered at the Outdoor Chapel in the Pines on Sunday, July 28, for the farewell service held by the Rt. Rev. Noel Porter, Episcopal bishop of Sacramento and northern California. He had been pastor there for 24 years.

Bishop Porter chose for his theme the third verse of the 24th Psalm, and stressed during his talk the great virtue of humility, urging his listeners to heed the Master's words: "Unless you humble yourself as a little child, you shall not enter the Kingdom of Heaven."

His voice quavered ever so slightly as he bestowed his parting blessing upon his silent flock and his erect form faltered just a little as he knelt before the stone flower-decked altar to voice his last prayer. Though another may take his placethrough future years, the name and kindness of Bishop Noel Porter will never be forgotten at the Sierra Chapel he loved

so long, and so well.

Herman Rauh, his son-in-law, and lay reader, who has been his faithful assistant through many seasons, was given a token of appreciation for his loyal aid. The good bishop also thanked all of those who had made the Outdoor Chapel such an outstanding success, not forgetting the press for their coverage of events.

He complimented his altar boys, Ricky and Teddy Rauh, Bro Shontz and Paul Carlson. He thanked the organists and soloists, and introduced the special singers of the day, Mrs. Fanny Bailey Scott, who sang the chapel's own song, "Midst the Beauty of the Trees," and Mrs. Frances Carlson of Pine-land who chose as her solo Bishop Porter's favorite hymn, "Fairest Lord Jesus." Mrs. Baldwin Woods of Berkeley was guest organist.

Charles Beardsley, chairman of the "Noel Porter Sunday" special committee, spoke briefly before the collection, explained that all money received would be given Bishop and Mrs. Porter as a fare well token of appreciation, to augment their modest retirement pension. The congregation responded generously.

COUNTY OF NEVADA OFFICE OF ROAD COMMISSIONER

NOTICE TO CONTRACTORS

Sealed proposals will be received at the adjourned meeting of the Board of Supervisors, in their chambers, Nevada County Court House, Nevada City, California, until 11 o'clock a.m. on Aug. 15, 1957, at which time they will be publicly opened and read for construction on certain County roads in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, in the town of Truckee, 1.98 miles of County roads to be primed, surfaced, and sealed.

171 HOMES OFFERED AT WESTWOOD SALE

With 171 homes, each on a fully improved site, and 61 improved lots reserved the first two weeks property in Greater Westwood, Lassen County, northern California, was offered residents of Truckee and surrounding communities at a

At the close of the services the gathering adjourned to St. Nicholas Hall where Bishop and Mrs. Porter were seated in comfortable chairs to receive over 200 persons who lined up to shake their hands and wish them godspeed. Bishop and Mrs. Clarence R. Haden, and their charming daughter, Nedah, stood close by and were introduced as the visitors passed.

Mrs. Fern Hunt of Emerald Bay was in charge of the committee which served punch and homemade cake at the counter, and Dr. Malcolm Jones of San Francisco was in charge of the roster. Mrs. Hunt also raised, and arranged, the beautiful bouquets of white Shasta daisies which adorned the reception hall.

Bishop Haden when asked for a statement replied kindly: "I can only say that I am very proud, and very humble, to be able to succeed a man of such sterling character and ability as Bishop Noel Porter."

lower introductory price for the house and lot than most people pay for an unimproved lot alone, Phil Cothern, property manager, predicted a virtual sell-out of this recently re-born city before these special introductory prices expire August 5.

According to Cothern, Greater Westwood was once a completely one company-owned community, where property was not available to the public.

Homes, priced from only \$1500 to \$3950, are offered with plans that include four, five, six, seven, eight and nine rooms. Fully improved lots are offered from only \$750, and commercial and industrial sites are available for long-term lease, Cothern said.

All utilities, as well as sewers, are in, connected and operating, Cathern stated.

All-weather roads are maintained by the county, and are open the year around.

Complete information is available at the project's sales office, Third and Ash street, Westwood, or by writing Joe Rutledge, sales director, Box A, Westwood, Lassen County, California.

PLACER COUNTY SEEKING BIDS ON TAHOE ROAD JOB

AUBURN—County Clerk Lillian Rechenmacher has announced that bids will be received up to 2 p.m. August 5 by the Placer County board of supervisors for surfacing of a county road in the Lake Tahoe area. The road—officially designated as County Road P154—is known as Lake Forest Avenue in

Crystal Bay as president; Oscar Franz of Coos Bay, Oregon, vice president and Fred Shultz, Kings Beach, secretary-treasurer, has been organized and was preparing to inaugurate a local service Wednesday.

Schultz said the Bell J. Ranger helicopter was scheduled to arrive this week. It is a three-passenger ship which will ply on schedule between Lake Tahoe and Reno, as well as feature sightseeing and charter trips.

The owners declare the plane can make the trip from Reno to Lake Tahoe in 14 minutes, offering a speedy service. The company is also viewing with interest the proposed North Tahoe Truckee Airport near here which will be included in the scheduled run when ready.

Lake Forest subdivision, half a mile east of Tahoe City.

The successful contractor will begin work within 15 after being awarded the contract and the project will be completed within 30

days thereafter. Details of the project and bidding may be obtained by writing directly to the county clerk at the court house in Auburn.

The property referred to and contained in said agreement is situated in the County of Nevada, Truckee, State of California, and is substantially described as follows:

the pleasure of meeting Jack Rosenbaum and his wife and two children. Jack is a columnist for the San Francisco news and writes "Our City." Ann Bohegan, star of a show at the Bal Tabarin, was also a guest. Three July birthdays were celebrated, they being those of Audrey Harrison, Elsie Charrison and Sharon Rosenbaum. Of course George and Clementine Harrison and daughter were on hand to make the evening delightful.

An Old Salt
I just forgot to say that Kenny Lavery is back on the job at the laundromat after a 28-day cruise which took him from Treasure Island to Costa Rica and Panama. Ken says it was lots of fun but has not decided to make the navy a career.

Recovering
During the past week two of our popular peace officers had been under the weather. Constable Harry Johanson fell and cracked two or three ribs at home, and Jerry Rapsarda, deputy sheriff, had quite a seige of the flu and all of the miseries that go with it. I am happy to say that both are now recovering fast.

Sports
There are two favorite sports going on this as other years, that is accepting checks and making it possible to have people commit a crime of defrauding an innkeeper. Both are unnecessary evils. There is no need for me to tell about the cure—we all know that.

Travel
A Sunday morning drive took us over Mt. Rose and just for the sake of something to occupy our minds, we counted cars coming over the mountain. From Highway 28 at Incline to 395, just to see how popular the route is at 10 a.m., we were surprised to pass no less than 215 cars in a 40-minute period. That proves that people are Tahoe minded. We came back Highway 40 we found, to the layman there is not much change, but to a person that has traveled the highway for years, there is really a lot of progress being made. Any way the inconvenience of travel is going to be well worthwhile. Coming over the shortcut spoiled the trip.

Fresh And Green
A couple of thunderstorms in the area sure cleared the air. Last Thursday night the electrical display was the most gorgeous that has been seen for years, as the lightning made the skies a blaze of light.

Visitors
More visitors for the Klitzkes. Floreine's mother and dad spent a few days here. They are Mr. and Mrs. Leonard Picher of North Hollywood. Their son is also here

with Harvey's Mobile Station.
Wings
The Otis Wings have moved from their motel, now Thorwaldson's, the Wing Chalet on the highway. Kay tells me that they are kinda camping for the time being, at least until they get settled again.

More Additions
Have you been to see Eugene's Chalet at Crystal Bay yet? If not you have missed a treat. So many changes a brand new dining room overlooking the lake. Gene is also building another apartment and garage.

Visitor
Iva M. Claverie from the University of California, is up for the summer, and just for something nice to do is acting night auditor at the Brockway Hotel. She is a very good friend of the J. W. Spavors of Crystal Bay. Iva is a graduate of Hastings Law School in San Francisco.

Busy Man
One of the busiest men in the community is Noel Hulbert of the disposal service. Noel also owns the city dump, which is a necessary chore in any community. Anyway we are thankful to have some place to take our rubbish. Noel does a good job.

Better
Our young friend, Joy Plunkett, was really under the weather for a while last week, but she informs me that she is feeling a whole lot better, and is just loving her new home. Ruth Mizner is home and is coming along very nicely. We sure hope the improvement will continue.

For The Summer
The Wyman Williams are up for the summer and living in their new home at Brockway at the moment. They are hosts to a few friends from Pasadena.

Court
Not too much news this week, so shall tell of court activities. Four men arrested last Monday morning for soliciting without a permit were fined \$25 each or 15 days in jail. The fine was paid. Two juveniles were arraigned on a felony charge of grand theft, taking boats from their moorings on the lake, and were certified to the juvenile court. W. L. Baxter for disturbing the peace was assessed 30 days, Wyatt Joseph Short and Andrew Mallard were arraigned on a drunk charge, were to serve 30 days with 15 days suspended and ordered not to return.

H. C. O'Dell who had a felony charge of making fictitious checks at the Buckhorn and O'Briens Cafe, reduced to petit theft and was ordered to serve 60 days on each charge, or pay a fine of \$250 and make restitution. He was returned

California Treasurer Issues New Bonds For Veterans' Loans

SACRAMENTO —(CNS)— State Treasurer A. Ronald Button announced his office has sold a \$50 million block of Veterans Assistance Bonds at a net interest rate of 3.57 per cent.

The bonds were purchased by a syndicate headed by the Bank of America.

The sale was from a \$500 million issue authorized at the 1956 election. Earlier this year, in two sales, \$100 million of the bonds was sold.

The 3.57 per cent interest rate compares with the 3.42 per cent rate on the last previous sale, April 24, which at the time was the highest rate in some 20 years. Button said the market for tax exempt state and municipal bonds has been declining in recent months, partially as a result of large offerings by governmental units throughout the nation.

However, Button said the interest rate was more favorable than might have been expected as market indexes issued Monday indicated a current rate of 3.63 per cent on similar bonds.

to jail in Auburn, pending ability to pay. These with well over 100 traffic citations pretty well filled the dockets for the week.

of
DONNER SUMMIT PUBLIC UTILITY DISTRICT DECLARING INTENTION OF APPROVING ANNEXATION AND DESCRIBING TERRITORY PROPOSED TO BE ANNEXED

WHEREAS a petition has been filed by more than fifteen per cent of the owners and qualified electors and residents of land within

the hereinafter described territory, being inhabited and uninhabited areas contiguous to said Donner Summit Public Utility District, requesting that said areas be annexed to said District; and
WHEREAS said petition has been examined by and sufficiency thereof certified to by the secretary of said Donner Summit Public Utility District;
NOW THEREFORE, BE IT ENACTED BY THE BOARD OF DIRECTORS of Donner Summit Public Utility District, as follows:

1. That the territory proposed

for annexation is situated in the County of Nevada, State of California, and more particularly described as follows:

Commencing at the center of Section 22, Township 17 north, Range 14 east, MDB&M, the point of beginning, and running thence northerly along the north south center line of said Section 22, one-half mile more or less to the north line of said Section 22, thence easterly along the north line of Sections 22 and 23, one and one-half miles more or less to the point of intersection of the north lines of said Sections 22 and 23, with the west bank of Upper Castle Creek, situated in the northeast quarter of Section 23, thence southwesterly along the west bank of said Upper Castle Creek to the point of intersection of said west bank of Castle Creek, with the northerly shore of Lake Van Norden, situated partially in the south half of said Section 23, thence westerly along the north shore of said Lake Van Norden to the point of intersection of said north shore with the north south center line of said Section 23, thence southerly along said north south center line of Section 23 to the point of intersection thereof with the east west center line of the south half of Sections 22 and 23, thence westerly along said east west center line of the south half of Sections 22 and 23, one mile more or less to the point of intersection with the north south center line of said Section 22, thence northerly along said north south center line of Section 22, one-quarter mile more or less to the center of said Section 22, also the point of beginning.

Excluding therefrom, however, such portions within the hereinabove boundaries as now lie within and are part of the Donner Summit Public Utility District.

2. That the annexation of the area hereinabove described will be to the advantage of said District, will benefit the areas to be annexed, and will facilitate the operation of District utilities, and therefore the Board of Directors hereby declares its intention to annex the same said annexation to be on the following terms and conditions:

(a) That the territory to be annexed and the property therein situated shall become liable for its proportionate share of any assessments or taxes now or hereafter levied, to pay obligations or indebtedness of Donner Summit Public Utility District now outstanding or hereafter incurred, whether bonded or otherwise; and the authority of the Board of Directors to establish and impose taxes, rates, rentals and/or service charges remaining unimpaired by this annexation.

Nevada County Shares In "Modest Advance" Of Retail Business Sales

SACRAMENTO —(CNS)—Retail business activity in Nevada County followed the trend of a "modest advance" set throughout most of the state during the first three months of 1957, showing an increase of 4 per cent.

Total sales for the county were \$4,057,000, or .09 per cent of the state's total. It produced \$121,710 in the state's 3 per cent sales tax, the state board of equalization reported.

Despite declines in about one-third of the business classifications used by the board, self-assessed taxable transactions in the state reached a first-quarter high of \$4,583,342,000, an increase of 4.2

per cent over the first quarter of 1956.

The slow-down in home building was reflected in a 12.6 per cent decline in the sales of lumber and building materials dealers. Modoc County showed the biggest percentage gain, with 21.3, while Yuba County showed the biggest drop, 23.1 per cent, signifying the end of a period of reconstruction after the 1955 floods.

per cent over the first quarter of 1956.

"The most remarkable feature of the period was a 4 per cent gain in the sales of new automobile dealers, after three successive quarters during which their sales lagged behind comparable periods of 1955," the board said.

Sales of vehicles, part and accessories amounted to \$667 million, more than one-fifth of all taxable retailer sales and the greatest dollar volume since the sensational third quarter of 1955 when \$763 million in sales was recorded.

Grocery stores, other food stores, packaged liquor stores and all types of eating and drinking places showed continued strength during January, February and March of this year. However, 12 classes reflected declines — the largest number of classes to show a slump in more than two years.

The slow-down in home building was reflected in a 12.6 per cent decline in the sales of lumber and building materials dealers.

Modoc County showed the biggest percentage gain, with 21.3, while Yuba County showed the biggest drop, 23.1 per cent, signifying the end of a period of reconstruction after the 1955 floods.

There are 28,239 street lights in San Francisco.

NOTICE OF HEARING ON PROPOSED ANNEXATION OF TERRITORY, DONNER SUMMIT PUBLIC UTILITY DISTRICT

NOTICE IS HEREBY GIVEN that the Board of Directors of Donner Summit Public Utility District will, on the 10th day of August, 1957, at the hour of eight o'clock P. M., at Crest Lodge, Soda Springs, Nevada County, California, hold a public hearing on petition for annexation heretofore filed with said Board, to determine whether or not said District shall be annexed to Donner Summit Public Utility District, pursuant to said petition and ordinance No. 51;

That the territory proposed to be annexed is situated in the County of Nevada, State of California, and more particularly described as follows:

Commencing at the center of Section 22, Township 17 north, Range 14 east, MDB&M, the point of beginning, and running thence northerly along the north south center line of said Section 22, one-half mile more or less to the north line of said Section 22, thence easterly along the north line of Sections 22 and 23, one and one-half miles more or less, to the point of intersection of the north lines of said Sections 22 and 23, with the west bank of Upper Castle Creek, situated in the northeast quarter of Section 23, thence southwesterly along the west bank of said Upper Castle Creek to the point of intersection of said west bank of Castle Creek, with the northerly shore of Lake Van Norden, situated partially in the south half of said Section 23, thence westerly along the north shore of said Lake Van Norden to the point of intersection of said north shore with the north south center line of said Section 23, thence southerly along said north south center line of Section 23 to the point of intersection thereof with the east west center line of the south half of Sections 22 and 23, thence westerly along said east west center line of the south half of Sections 22 and 23, one mile more or less to the point of intersection with the north south center line of said Section 22, one-quarter mile more or less to the center of said Section 22, also the point of beginning.

Excluding therefrom, however, such portions within the hereinabove boundaries as now lie within and are part of the Donner Summit Public Utility District.

NOTICE IS FURTHER GIVEN that all persons interested in, or that may be affected by the proposed annexation of territory, within the said District, are to appear at said meeting, and show cause, if any they have, in writing, why said territory, or any part thereof, should not be annexed as proposed in said petition and ordinance No. 51.

School Will Make Charge For Out-District Children

A pro-rated charge for kindergarten children attending the schools in the Tahoe Truckee District from outside the district will be made, according to action taken by the board of governors at their recent meeting. Last year the education of these youngsters was undertaken by the local district on a trial basis and it has been found advisable to make the charge to be determined at the conclusion of the school year.

A small number is expected to attend from Nevada as well as El Dorado County. Superintendent John Corbin said.

WYETHIA MEETING

A regular meeting of the Wyethia Women's Club will be held at the clubhouse in Truckee on Friday, August 2 at 8 p.m. Mrs. Ray McCarty, the president, announced.

LAKE LEVEL

TAHOE CITY — The level of Lake Tahoe Monday was 6228.84 feet but the amount of water leaving the gates was not announced. Ideal summer weather prevails as temperatures ranged from 43 to 76 degrees.

SQUARE DANCE PARTY ENJOYED BY GUESTS

Sixteen square dancers and guests joined the Donner dancers at their regular weekly party last Friday night for dancing, fun and light refreshment.

The Tahoe Twirlers of Kings Beach were represented by "Skeet" and Peggy Thompson, and Walt and Eva Lynn Pope. Dave, Fran, and June Gove of the Monterey Peninsula Wagon Wheelers enlivened the party. Ray, Margy, and Lynn Edwards came from the Bustles and Beaux of Chatsworth. Carl and Calla Noreen, and Mary Seubert represented Pleasant Hill. Harry and Madeline Muhlbradt of Palm Springs and Crystal Bay joined the party. Mrs. Thompson, "Skeet's" mother, of Snyder, Texas, and Bill O'Hanlon of Truckee rounded out the guest list.

Harry Muhlbradt and Dave Gove were put to work as guest callers. Lloyd and Virginia Everett demonstrated a new round dance to the group.

The Donner Dancers meet again tomorrow evening. President Darol McGihon will continue to work with beginners at seven. The dancing party will start about eight. The place is the Veterans' Hall. Guests are especially welcome and there is no charge.

Miss Geraldine Bean Is Wed To Al Cavallo At Impressive Tahoe Rites

TAHOE CITY — Al Cavallo of Truckee claimed Miss Geraldine Bean as his bride Wednesday at a mid afternoon service at the Episcopal Outdoor Chapel. The Rev. Gordon Ashbee officiated at the simple but impressive ceremony.

Mrs. Cavallo was born in Maryville and is the daughter of Mr. and Mrs. Arnold Bean of Rosalinda Farm there. She attended Marysville Union High School and San Jose State College where she was graduated in 1951 with an AB in education. She has been associated with the California County Fairs for 10 summers, first as a livestock exhibitor and clerk and more recently as a premium office supervisor. She has been kindergarten and first grade teacher at the Tahoe Lake School.

Cavallo is the son of Mr. and Mrs. G. Cavallo of Healdsburg. He spent his boyhood on the farm near that town and attended the Healdsburg High School. He entered the navy in 1944. In September of 1946 he enrolled in California Polytech in San Luis Obispo from which he graduated with a BS in agriculture in 1950. He is now employed as an inspector at the state quarantine station in Truckee.

The bride wore a ballerina length dress of white brocade designed and made by her mother. Mrs. John W. Van Allen attended the bride as matron of honor and was attired in a bouffant yellow flowered garden ballerina. Mrs. Bean wore a blue lace with carnations.

John Pedroncelli of Gardnerville acted as best man for the bridegroom and Richard Blackman and Jackson Allen, were ushers.

A garden reception at the Bean home followed and the couple departed on a honeymoon in Hawaii. Upon their return they will live at Tahoe City.

Miss Jeanne Kessey of Truckee sang "Because" in French to toast the newlyweds at the reception.

CHURCH NOTES

As this is Communion Sunday we hope that many will take advantage of the opportunity to eat at "The Lord's Table." The pastor has a small communion set for use in the homes of shut-ins at the hospital, etc. If there are any who wish to have the communion in their homes, phone LUther 7-3637.

Thursday, August 1, at 7 p.m. The exploratory building committee will meet for one hour's discussion. The members of this committee are Dr. Ben King, Mrs. Winifred Kamp, Daven Morey, Rex Reid, Skip Ferdinand, Mrs. I. Firpo, Berger Nelson, Mrs. Benetta Sciutto, Bob Frank and Pastor Clark.

Thursday at 8 o'clock, the worship service will convene. The time will be spent in singing hymns of praise; in earnest prayer and sincere testimony; and in studying the theme: "Partnership with God."

Friday, August 2, the Methodist Youth Fellowship will meet under the guidance of Mr. and Mrs. C. Z. Smith, counselors. They have elected new officers and are making plans for a bright future.

SITE, BUDGET WILL OCCUPY BOARD MEET

Harold M. Welch, Tahoe-Truckee member of the Sierra College board, attending a meeting of that group at Auburn last week. Principal subject of business was discussion of a proposed bond issue for the school. It was decided to designate an advisory site selection committee from the five trustee areas of the recently-formed college district.

The 25-member committee will be supplemented by a representative to be named by the division of schoolhouse planning in the state department of education. No date has been set for naming the committee.

After interviewing Architect Gordon Stafford at length, the board instructed Superintendent Harold M. Weaver and his staff, to formulate a report on the units needed for the new Sierra College, and to have it ready for final consideration at the August 13 meeting of the board in Auburn. A plant to accommodate 1000 students is under consideration in the studies.

The Sierra College trustees will also meet again on August 6 to consider the proposed budget for the next school year. Beside Welch, members of the board include W. O. Francis, Richard A. Lee, Willard Dietrich, and Herbert T. Perry, all from western Placer County communities.

JUNIOR BOAT RACES ARE HELD AT TAHOE

TAHOE CITY — Lou Marsten, publicity chairman for the Tahoe Yacht Club's Junior Regatta Sunday at Homewood, reports the winners as follows:

B stock hydroplanes: Joe Hicklingbotham; 2nd, Lou Marsten and 3rd Bob Frost.

B utility class: 1st, John Lane; second, Jack Healey.

19 HP runabout and under: 1st, Ralph Pier.

20 to 26 HP: 1st, Butler; 2nd, Grant.

27 HP and over: 1st, Bill Hunter; 2nd, Allen Bray.

The junior contestants are hoping for a larger crowd at their next regatta set for August 18th at Sierra Boat Company at the north end of the lake.

J. Philip Murphy, commodore of the Tahoe Yacht Club was on hand Sunday to hand out cups to the youthful winners.

R. Randolph Walker, chairman of the racing committee, was assisted by Herb Obexer, Jack Healey and Lou Marsten.

Enjoy Local Fishing

Kenneth C. Sanders and wife and young son, Kenneth Aubrey Sanders of Woodside, spent the weekend at the Methodist parsonage. Mrs. Marion Sanders is the pastor's daughter.

The Sanders family were well pleased with their visit to Truckee, and they went home with a fine lot of lovely trout. One of the trout, caught out of the Truckee River, measured nearly 18 inches. They fished Saturday and worshiped in church Sunday. Pastor Clark was very happy to have them.

GIVES WARNING

George W. Busbey, adjutant of the Disabled American Veterans of Grass Valley, has issued a notice to residents of the Truckee area that other agencies or posts selling forget-me-nots in Truckee are unauthorized to do so. Busbey pointed out that only the veterans from his chapter are so authorized and asked that notice be given local people to ascertain from whom they are making the purchases.

TRUCKEE BIBLE CHURCH

Roy S. Rhoades, Pastor
Everyone is invited to attend the Truckee Bible Church and hear about "The Faith that Works". At the Sunday morning 11 o'clock worship hour a new series of messages taken from the Book of James will begin in the near future. All are also invited to attend the 7 o'clock Sunday evening services and join in the study of the Book of Ruth.

Services are being held in the Donner Trail Lumber Company building. A Bible class for the women has begun at the home of Nancy Mitchell just to the right of the Veterans' Memorial Building. This group meets each Tuesday afternoon from 3 to 4.
